Our Premium High Visibility Safety Vests are tested to and meet AS/NZ 4602.1: 2011 and AS/NZ 1906.4: 2010 standards. These vests are designed to carry more. The Premium High Visibility Safety Vest has 15 pockets with added reinforcement, including a clear ID holder and internal pockets for storage. These safety vests feature a quick internal size adjustment, providing you with a better fit and a durable pass-through slit for fall protection gear. The size adjustment allows you to wear these Milwaukee® safety vests in the summer over a t-shirt or in the winter over a jacket. The zipper closure delivers you ultimate jobsite security. These Premium High Visibility Safety Vests are available in orange and yellow to meet your jobsite requirements.

Features:

- Internal Size Adjustment allowing the vest to be adjusted to wear over clothes for more comfortable fit
