Our Hose Pick 4pc Set feature an all-metal core for up to more durability. Each pick has a specific angle for different applications whilst the reinforced tip resists bending when loosening stubborn hoses. The flat pick provides puncture protection and reduces damage to hoses. Our Comfort grip handles gives the user increased tool control and comfort. This set features a hook, 90°, 45°, and flat hose pick along with a durable long-term storage tray for easy access and organisation. These chrome-plated picks provide superior rust protection.
