Introducing the toughest tapes to ever hit a jobsite.

Shockforce Nite Eye brings new meaning to the term high performance with a full 4M of standout and the ability to survive a 30M drop. Add in a diamond coated 360-degree end hook that delivers 50% more gripping power, a two-sided blade with vertical markings on the back, and class-leading ergonomics and you have a tape that's destined to be the new standard for trade professionals.

Superior Impact Protection - Dual metal guardrails on both sides of the lock button provide superior protection to keep this tape going strong on the toughest jobsites

Optimised, compact case design - Provides users a case that is only 76mm wide, fitting comfortably in the palm. Ideal for easy calculations for inside measurements

High Visibility Low-Glare Blade - Dual sided high contrast white markings and matte finish provide improved legibility in all light conditions

Diamond Coated End Hook - 360° diamond abrasive-coated end hook provides 50% more hook grasp and prevents slippage from various surfaces

Working-At-Height Capability - Integrated thru-hole can be used as a tether loop attachment point when working at height or as a pivot for scribing
