Warranty	
Warranty	3 Months
Packaging + Shipping	
Shipping Weight (Gross)	0.4 kg

The H&L Net Sandpaper for M12 FUEL™ Orbital Detail Sander are designed with POWERGRID™ Tear Resistant Mesh for maximum durability, delivering up to 12x longer life vs. standard sandpaper. Milwaukee Mesh Net Sandpaper use an open weave design to minimize clogging and reduce material build-up for a smooth and flawless finish. The durable nylon backing increases protection against sharp edges, tight corners, and tough material removal applications while utilizing sharp aluminum oxide grain for faster finishing. The reusable mesh sanding sheets are easy to clean for longer life; simply shake, vacuum, blow or rinse to clear away debris. The high-quality hook and loop provides a secure connection and fast grit swaps. Sanding sheets are available in 80 grit - 400 grit for use in wood, metal, and plastics.

Features:

- Reusable and easily cleaned for longer life: Shake, vacuum, blow or rinse away debris and reuse for extended life
- POWERGRID™ Tear Resistant Mesh For Maximum Durability: Durable nylon backing protects against sharp edges, tight corners & tough removal
- Up to 12x Life vs. Standard Sandpaper: Open weave design minimizes clogging for up to 12x longer life and a smooth, flawless finish
- Exclusively compatible with Milwaukee M12 FUEL™ Orbital Detail Sander
- Sharp aluminum oxide grain for rapid material removal
- Includes free pad saver for reduced wear on sander pad
- Ideal for wood, metal and plastics
