Warranty	Limited Lifetime
<b>Packaging + Shipping</b>	
Shipping Weight (Gross)	0.0 kg
Shipping Notes	This product exceeds hand unloading limits and requires a tail lift truck or forklift at the unloading location (Receivers end).

The Milwaukee 61" Mobile Work Station is built tough to withstand the everyday use and abuse of the professional workshop. Featuring a reinforced angle iron frame, 45kg soft close drawer slides, 127mm (6") industrial casters, and a weight capacity of 998kg, the Milwaukee 61" Mobile Work Station is thicker, heavier and sturdier. This means it is much more stable on its casters and better able to take the everyday hits and knocks of the workshop. The professional tradesperson also needs organisation and quick tool access to maximise efficiency day to day - The Milwaukee 61" Mobile Work Station offers a range of features designed to make life easier in the workshop, such as a built in power center, 558mm multi-position metal peg wall, 11 total drawers, and a 25mm (1") thick reversible hardwood top to provide maximum versatility and productivity.

### Features:

- 18-Gauge steel construction and reinforced angle iron base.
- 6" industrial casters
- 45kg rated soft-close drawers
- 11 total drawers and separate storage cabinet
- 558mm metal multi-position peg wall
- 25mm reversible hard top
- Key-barrel locks
- Built-in power centre.
