Saber Essential HSS TiN Coated Spiral Flute Step Drill Set - Metric

Saber step drills are ideal for electrical contractors, sheetmetal workers and auto mechanics.

Step drills are designed for drilling repetitive holes in steel, stainless steel, copper, brass, aluminium, plastic, plexiglas, laminates and many other thin materials.

Manufactured from premium quality high speed steel with double fluted ground cutting edges for long service life.

Step Drill Benefits

No pilot hole required

Flatted shank

Step depth between 4.5-5.5mm

Stepless drilling in the thinnest sheets

Burr-free drilling without sheet deformation

Automatic deburring

Spiral flutes enable easier tool penetration

TiN coating extends tool life, helps to dissipate heat, reduces friction and cold welding.
