Our 1/2" Drive 18" (457mm) Flex Head Ratchet with a 4° arc swing and high leverage extended handle provides you with better access and is more adaptable to working in spaces at different angles. The ratchet head can be locked into 7 unique positions or left unlocked for free movement during use. The slim profile head and flush directional locking lever offer more accessibility in tight spaces. The all-chrome finish makes cleaning the MILWAUKEE® flex head ratchet easy and protects the tool from corrosion. We back this Flex Head Ratchet with our Milwaukee limited lifetime warranty.

Features:
