The cotton-rich White T-shirt or singlet Cleaning Rags. This is top range rags with an all-purpose premium cloth which has been metal detected, ensuring metal, plastic and nylon parts (such as zipper, button etc.) have been removed. This kind of rag is 99% lint-free. The Pure White Singlet Cleaning Rag is the top range of all rags, made from 100% recycled all-white, low-lint cotton T-shirt or singlet with knitted woven. This top range rag is both soft and absorbent.

This rag is the top range for cleaners as it effortlessly gives everything a radiant shine without any lint left over. The rag is ideal to use with thinners and other solvents. The top range rag is more economical than any non-woven or paper product on the market with dollar value saving. The below industries may choose this top range rag.
