Bosch products are developed for intense use thanks to the brushless EC motor and robust full metal chuck. It includes increased user protection thanks to KickBack Control instantly shutting off the tool when it gets blocked. High-performance: Cordless freedom with corded performance – thanks to powerful tools, long-lasting batteries and innovative charging solutions perfectly adapted to each other.

Compact: Efficient working thanks to compact and low-weight batteries as well as ergonomic tool designs.

Compatible: All batteries can be used for both new and existing tools in the same voltage class – thanks to the Flexible Power System.
