Warranty	Limited Lifetime
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The HOLE DOZER™ with Carbide Teeth hole saws provide 50X life* in extreme multi-material cutting applications when compared to bi-metal hole saws while cutting in high RPM. The HOLE DOZER™ with Carbide Teeth hole saws can cut through stainless steel, cast iron, fastener-embedded wood, cement board, fiberglass, plaster and asphalt shingles with ease. The 3 TPI design provides fast cuts while deep gullets clear material fast while cutting. The All-Access slots feature solves the frustration of plug removal for less downtime and more productivity between holes. The latest slot design gives increased pilot visibility for accurate placement and faster chip ejection keeping cuts cool. The HOLE DOZER™ Thermoset anti-friction coating allows for cooler and faster cutting. The HOLE DOZER™ with Carbide Teeth hole saw has a cutting depth of 41mm, allowing clearance to handle cuts in a wide range of materials. Milwaukee® proudly makes HOLE DOZER™ with Carbide Teeth hole saws in the USA. This kit comes in a fully customisable case that fits into Packout™ organisers, and has fully interchangeable pegs.

Features:

Carbide Teeth technology for 50X* longer life in extreme multi-material cutting applications.

3 TPI design for fast cuts.

Deep gullets clear material fast.

All-Access slots for better productivity and increased accuracy.

Thermoset anti-friction coating for cool and fast cutting.

For the toughest applications where bi-metal hole saws cannot cut. Cuts stainless steel, fastener-embedded wood, cement board, fiberglass, plaster, asphalt shingles and more.

Made in USA.

Fully customisable hole saw case with interchangeable pegs.

hello@beyondtools.com

Removable accessory box for additional customisation options.

Case fits perfectly into PACKOUT™ organisers.

Case has reinforced grids on top and bottom to keep hole saws securely stored.

Case lid folds under for fast and easy access.

Case webbed handle design for ergonomic comfort.

Set includes cobalt pilot bits with up to 10x longer life compared to standard HSS pilot bits.

Specifications:

TPI (Tooth Per Inch): 3

Cutting Material: Cuts stainless steel, fastener-embedded wood, cement board, fiberglass, plaster, asphalt shingles and more

Includes:

- (1) Hole Saw 44mm (1-3/4") [49560717]
- (1) Hole Saw 54mm (2-1/8") [49560722]
- (1) Hole Saw 64mm (2-1/2") [49560727]
- (1) 7/16" Large Arbor with Cobalt Pilot Bit [49567115]
- (1) 3/8" Small Arbor with Cobalt Pilot Bit [49567110]
- (1) Cobalt Pilot Bit [49567100]
- (1) Small Universal Hole Saw Case [49561006]
- (1) Hole Saw 38mm (1-1/2") [49560713]
- (1) Hole Saw 25mm (1") [49560707]
- (1) Hole Saw 32mm (1-1/4") [49560710]
