Battery Voltage (V)	18V
Warranty	
Warranty	1 Year
Packaging + Shipping	
Shipping Weight (Gross)	3.5 kg

The M18™ SWITCH TANK™ 15 Litre Water Supply Tank Assembly is an interchangeable tank powered by the M18™ SWITCH TANK™ Powered Base (not included). The 15 Litre Water Supply Tank Assembly features a dual diaphragm pump for increased durability and maximum pump life. The tank also has a wide mouth opening for easy pouring and a strainer that filters out debris from entering the tank. The interchangeable Water Supply Tank Assembly includes the isolated pump and 3m hose with quick-connect, with this design allowing users to add on tank assemblies for different applications, eliminating cross-chemical contamination. It also provides users the ability to replace the tank assembly at a lower cost of ownership compared to replacing the entire water supply unit.

### Features:

Powered by the M18™ SWITCH TANK™ Powered Base (sold separately)

No manual pumping reduces user fatigue

Add-on interchangeable and replaceable tank assemblies deliver lower cost of ownership

Up to 60 PSI with instant, constant and adjustable pressure for ultimate user control

Wide mouth opening and strainer for easy, debris-free pouring

Transport handle for convenient transportation and storage

Dual Diaphragm Pump for maximum pump life
