Brand	Milwaukee
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Milwaukee® Marking, Layout and Measuring set offers 3 of our most popular products in one easy set. The INKZALL Jobsite Markers feature clog resistant tips and the ability to write through dusty, wet or oily surfaces. The durable marker tips are designed for writing on rough surfaces such as OSB, cinder block and concrete and the ink dries quickly to reduce smearing markings, without drying out quickly when the cap is left off. For added user convenience, the INKZALL markers have a built-in hard hat clip for easy storage and access. Our Pocket Level features amplified rare earth magnets, giving you over 2X the holding power and features our SHARPSITE™ Magnified Vial Technology. The optimised size makes the pocket level the perfect option for getting into tight spaces on a jobsite, has a v-groove designed and weld clearance. The Milwaukee® Compact Tape Measures feature nylon bond blade protection and a 5-point reinforced frame, they offer heavy duty durability by resisting contamination wear and impact. To increase productivity on the job site, they are 30% more compact than MILWAUKEE General Contractor Tapes and have an optimised hook designed for scoring.

Includes:-

INKZALL™ Black Fine Point Marker

Pocket Level

8m Compact Tape Measure
