The REDLITHIUM™ USB Rechargeable Neck Light provides users with 400 lumens of TRUEVIEW™ High-Definition Output and up to 8 hours for maximum productivity. The two mode options allow users to manage output and runtime in addition to an inbuilt battery gauge to inform how much power is left before a recharge is needed. The REDLITHIUM™ USB Rechargeable Neck Light has 130° of vertical light head rotation for easy positioning and an ergonomic, sweat-resistant band for additional comfort. The neck light has IP5X ingress protection, chemical resistance to harsh chemicals found on site or in the shop, and a drop rating of 1.8m, backed by a Limited Lifetime Warranty.

Features:-

- Two modes, up to 400 lumens of TRUEVIEW™ High Definition Output.
- Up to 8 hours runtime when used with REDLITHIUM™ USB 3.0Ah Battery Pack.
- 130° of vertical rotation for complete light head adjustability. Designed for users who need hands-free lighting but where a headlamp is not desired or practical.
- Ergonomic, sweat resistant band for increased comfort.
- IP5X (limited dust ingress).
- 1.8m Drop Rating.
