

12V 7L HANDHELD CHEMICAL SPRAYER BARE (TOOL ONLY) M12BHCS7L0 BY MILWAUKEE

SKU	Option	Part #	Price
8731208		M12BHCS7L0	\$309

Model	
Type	Sprayer
SKU	8731208
Part Number	M12BHCS7L0
Brand	Milwaukee
Size	7L
Technical - Main	
Battery Voltage (V)	12V
Packaging + Shipping	
Shipping Weight (Gross)	3.1 kg

The M12™ 7 Litre Handheld Chemical Sprayer provides users with an interchangeable tank design with no manual pumping. Designed to meet the needs of the landscape maintenance professional, the battery-powered backpack sprayer delivers instant, constant and adjustable pressure, up to 80 PSI, with up to 5.0 metre vertical spray distance. The 3-speed pressure adjustment knob adjusts the pressure between 20 - 80 PSI for ultimate user control across a range of spraying applications. When paired with an M12™ REDLITHIUM™-ION 2.0Ah Battery (sold separately), the chemical sprayer provides users with up to 300 litres of spray delivery per charge. The M12™ Powered Sprayer Head is compatible with both 4 Litre (49162761) and 7 Litre (49162762) Chemical Sprayer Tanks, providing the ability to choose the right size the tank for the application at hand, and premix multiple tanks to maximise productivity. The Handheld Chemical Sprayer can be used either one- or two-handed for added versatility. The sprayer features an onboard measuring cup for quick chemical measurement, a strainer that filters debris from entering the tank, and vertical and horizontal wand storage. With a dual diaphragm pump for increased durability and maximum pump life, the M12™ 7 Litre Handheld Chemical Sprayer provides instant, constant pressure while reducing fatigue associated with manual pumping.

Features:

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm

Interchangeable tanks, no manual pumping reduce user fatigue

Add-on interchangeable tanks

Detachable trigger handle allows for one- or two-handed use

Up to 300 litres per charge when using M12™ REDLITHIUM™ - ION 2.0Ah Battery

Up to 80 PSI & 5.0 m spray distance with instant, constant and adjustable pressure for ultimate user control

Onboard measuring cup for quick chemical measurements

Strainer for easy, debris-free pouring

Vertical and horizontal wand storage for optimised storage footprint

Dual Diaphragm Pump for maximum pump life

Trigger lock-off eliminates unintended chemical spray while in transportation

Comes with shoulder strap for user comfort during extended use

NOTE: Tank, pump and wand system must be cleaned before changing chemicals in order to avoid cross-chemical contamination

Specifications:

Runtime: Up to 300 litres per charge (using M12™ REDLITHIUM™ -ION 2.0Ah Battery)

Capacity: 7 Litres

Pump Type: Dual Diaphragm Pump

Nozzle Type: Adjustable & Fan Nozzles

Spray Distance: Up to 5.0 metres

Flow Rate: 0.38 - 1.14 L/min

PSI: 20 - 80 (3 speeds)

Includes:

(1) M12™ Handheld Chemical Sprayer Powered Head

(1) 7 Litre Handheld Chemical Sprayer Tank [49162762]

(1) 610 mm (24") Stainless Steel Wand

(1) Fan Nozzle

(1) Adjustable Nozzle

(1) Angled Nozzle Adaptor

(1) Shoulder Strap

(Not Included) Battery & Charger
