Fully customise your jobsite, workshop, garage or vehicle with the PACKOUT™ Cabinet. The ultimate in flexibility, the PACKOUT™ Cabinet can either be stacked on a PACKOUT™ stack or wall mounted from any PACKOUT™ Mounting Plate. A secure clipping mechanism delivers a strong and secure connection and can take up to 22kg of weight stored inside. The PACKOUT™ Cabinet features a quick-access front door that easily slides up and enables you to quickly grab your tools and accessories more effectively and efficiently. It is constructed with impact resistant polymers to withstand harsh jobsite conditions, and is padlockable to ensure your contents are kept secure.

Features:

Secure Hang or Stack - Stack on the top, bottom or middle of a PACKOUT™ stack or hang from PACKOUT™ Mounting Plates

Quick-Access Front Door allows for easy front-on access to tools and accessories.

Padlockable to keep tools secure when not in use.

Constructed with impact resistant polymers.
