Milwaukee® Mini Flush Cutters produce consistent, precise cuts through thin wires and cable ties. The spring-loaded cutter design helps to reduce fatigue while using the tool. The slim profile allows you to access tight spaces better. The mini flush cutters feature overmolded grips that will not peel after heavy use or exposure to job site conditions. The mini flush cutters are built with machined precision and feature rust protection so you can work harder for longer.

Features:

- Spring assisted
- Machined precision
- Light weight
- Overmold grip that will not peel
- Rust protection
