hello@beyondtools.com

- Maximise productivity to choose 18V (23L), 18V x 2 (34, 45L)
- The wet/dry vac cleans up common jobsite debris like wood/metal shavings
- Two-part design allows for durable and crush-resistant construction to prevent tears that lead to downtime on the jobsite
- The high-performance swivel mechanism and hose material create more flexibility and ease of use during cleaning, preventing the hose from getting bound up or kinked while users move around
- Independently swivelling and locking reinforced casters
- Larger diameter than standard casters allows for easier transport over obstacles
- 2 modes of operation (MAX runtime mode, MAX power mode)
- Includes motor head, cart, utility nozzle, extension wands, tank, flexible hose, large wet/dry vacuum HEPA filter, crevice tool
- IPX4 Rating
