Our CHEATER Offset Aluminium Pipe Wrench all-in-one design has been created to offer and assist you in maximising your productivity on the job. The CHEATER Offset Aluminium Pipe Wrench has an extendable sliding handle providing multi-length control from 457mm (18") through to 609mm (24"), meaning you only need one tool for the job. Featuring an 90° jaw orientation which allow the user to have easy access when the space is restricted. The offset jaw gives you better access and allows for up to 3 points of contact for a secure grip every time. Whilst the dual coil springs within the jaw ensure maximum durability and tool life. The lightweight aluminium body and tether-ready handle loops make the MILWAUKEE® CHEATER Offset Pipe Wrench ready for the jobsite. MILWAUKEE® stands behind their product and offers a Limited Lifetime Warranty with all pipe wrenches.

Features:

- Heel Jaw -Provides better leverage on pipes
- Slim Jaw Design -Easier to use in tight and confined spaces
- Offset jaw - Up to 3 points of contact for a secure grip
- Tether-ready handle loop
- Lightweight Design
- 90° jaw orientation - Assists when in tight or overhead spaces

Specifications:

- Jaw Capacity: 2 1/2" (63mm)
- Wrench Size: Variable-length from 305mm (12") through to 609mm (24")
