Our Aluminium Offset Pipe Wrench has been designed to offer and assist you in maximising your productivity on the job. The narrow offset jaw gives you better access and allows for up to 3 points of contact for a secure grip whilst working in confined space and is a great solution for overhead applications. The jaw design is parallel to the handle making it easier to use one handed and features an ergonomic handle, which gives you extra support and comfort throughout the day. MILWAUKEE® stands behind their product and offers a Limited Lifetime Warranty with all pipe wrenches.

Features:

Designed to fit in tight spaces -Especially overhead applications
Ergonomic handle design -Helps prevent fatigue and slip
Narrow offset jaw head- Better access and grip in confined spaces
Tether-ready handle loop

Specifications:

Jaw Capacity: 50mm (2")
Dimensions: 172 x 49 x 447mm
