

40V 4.0AH 185MM (7-1/4") CORDLESS BRUSHLESS METAL CUT SAW KIT CS002GM201-B BY MAKITA

SKU	Option	Part #	Price
87432348		CS002GM201-B	\$1249

Model	
Type	Metal Cut Saw Kit
SKU	87432348
Part Number	CS002GM201-B
Barcode	9317340151660
Brand	Makita
Technical - Main	
Amp Hour	4.0Ah
Battery Voltage (V)	40V
Motor Speed - No Load	6,000RPM
Dimensions	
Product Weight (Net Weight)	4.5 kg
Features	
Standard Inclusions	2 x 4.0Ah Batteries, 1 x Charger
Packaging + Shipping	
Shipping Weight (Gross)	4.48 kg

Makita CS002GZ - 40V Max Li-ion Cordless Brushless 185mm (7-1/4") Metal Cut Saw Skin

The 40V Max XGT Brushless 185mm Metal Cutting Saw (CS002G) with Electric Brake and Chip Collector is a cordless solution for cutting common metal materials. The Makita-built brushless motor delivers up to two times faster cutting performance and up to 160 cuts per charge in 64 x 64 x 6mm thick steel angle using a 40V max XGT 4.0Ah battery (battery sold separately). It is engineered with Active Feedback-Sensing Technology (AFT), a system that electronically turns off the motor if the rotation of the blade is suddenly forced to a stop. It has a large 67mm cutting capacity that can handle various metal materials including pipe, stud, channel, strut, conduit, angle, square tubing, sheet metal, and more.

Features:

- High power brushless motor allows for a massive 67mm cutting depth
- Active feedback sensors shut down the tool in the event of a kickback
- Constant speed control maintaining blade speed under load for rapid cutting
- Safety protection with electric brake and soft start for user safety
- Quick-release chip collector captures debris produced while cutting

Specifications:

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm

hello@beyondtools.com

Voltage: 40V

Maximum Cutting Depth: 67mm

Blade Diameter: 185mm

No Load Speed: 3500rpm

Overall Length: 350mm

Weight(Skin): 4.5kg

Warranty: 3 Years Warranty Covered By Makita Australia

Makita BL4040 - 40V Max 4.0Ah Li-ion XGT Cordless Battery

with Gauge 191B26-6

Features:

Digital communication between the tool & battery for optimised performance

Heavy-duty cell casing significantly improves the batteries impact resistance

Battery ventilation system maximises battery life

Short circuit prevention structure protects terminals from dust and moisture

3-layer moisture protection shields cells from water ingress

Specifications:

Cell Capacity: 4.0Ah

Charge Time: 45mins

Energy Capacity: 144Wh

Net Weight: 1.0kg

Voltage: 40V Max

Makita DC40RA - 40V Max Single Port Rapid Charger 191E09-4

Features:

Rapid charging system communicates data between the battery and charger for optimum charging

Equipped with dual cooling fans, cooling the battery & charging circuit for rapid charging

Compatible with ADP10 adaptor (optional accessory) for charging 18V LXT batteries

Large charging status indicator light & selectable full charge melody

Specifications:

Charge Time:

45mins (BL4040),

28mins (BL4025),

40mins (BL1860B-L using APD10)

Net Weight: 1.0kg

Voltage: 40V Max
