The Milwaukee Linesman's Compact Aerial Tool Apron is designed to offer and assist users in maximising productivity on the job. It features a auger bit holder that won't burn through the Apron after extended jobsite use. For added user benefit, it has 18 custom pockets which includes a dedicated flood light pocket, puncture-resistant knife pockets, and magnets to hold sockets in place. This apron is constructed with durable PVC vinyl material and features 3 nickel-plated brass eyelets. The built-in weep holes allow for water drainage in the pockets, and the three included D-rings give users additional storage options. The Linesman's Aerial Tool Apron offers greater durability, giving you a complete and durable storage system specifically designed for the utility trades.
