Brand	Milwaukee
Size	125mm (5")
Technical - Main	
Motor Speed - No Load	11,000 rpm
Warranty	
Warranty	5 Years
Packaging + Shipping	
Shipping Weight (Gross)	1.6 kg

The M18™ Brushless 125mm (5") Angle Grinder with Deadman Paddle Switch delivers power and runtime while maintaining its compact size. The 11,000 rpm brushless motor has been built and optimised specifically for cutting and surfacing applications. Paired with built-in REDLINK PLUS™ power tool technology and a M18B5 battery, the Brushless Angle Grinder provides efficient power delivery and longer battery life resulting in up to 60 cuts in 12.7mm rebar. The M18™ Brushless 125mm (5") Angle Grinder with Deadman Paddle Switch includes an electronic clutch for kickback protection, as well as overload protection to maximise motor life. With a M14 spindle and tool-free guard adjustments, users will experience faster adjustments and less downtime, while remaining fully compatible with the most common grinder accessories in the market. The compact and lightweight build allows for excellent control and comfort. The Brushless Angle Grinder is built to last with an all-metal gear case, getting the job done every time.

### Features:

Up to 60 cuts per charge in 12.7mm rebar on a M18B5 battery

Tool-Free Guard Adjustment for faster guard installations and adjustments

Overload Protection maximises motor life

Paddle Switch Design for Increased Comfort and Ease-Of-Use when Operating in Various Positions
