Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Crescent has brought market leading innovation to a number of hand tool categories, and now brings leading innovation to our line of professional hammers. A forged steel head with Vibeguard technology makes these hammers best in class at vibration reduction. These hammers are also precisely balanced for better swing force and better accuracy each swing.

Features:

Utilizes vibration dampening slot technology, coupled with a vibration control handle made from proprietary materials to minimize vibration when striking by 70%

Magnetic nail starter holds nails securely under the hammer head for quick and easy one hand nail starting

Textured fawn's foot grip gives users an ergonomically sound and sure grip on the hammer

Precision-balanced design with precise weight distribution leads to better accuracy and amplifies force of each swing

Specifications:

Hammer Style: Ripping Claw

Tether Ready : Yes Head Finish : Lacquer

Handle Material : Alloy Steel with Grip

Material: Alloy Steel
