Kincrome Punches & Chisels are manufactured from hardened and tempered top grade Chrome Vanadium Steel. This increases strength and durability, allowing them to be the perfect balance of tough but not brittle.

Kincrome nail punches are the carpenter's perfect companion for setting nails in hidden and hard to reach places. They have a recessed tip for easy nail alignment and the knurled finish ensures maximum grip and avoids movement while the punch is being struck.

Features:

Manufactured from hardened & tempered Chrome Vanadium steel (CR-V)

Precision machined for strength & durability

Knurled finish ensures maximum grip and avoids movement while the punch is being struck

High quality storage wallet included
