Kinchrome Punches & Chisels are manufactured from hardened and tempered top grade Chrome Vanadium Steel. This increases strength and durability, allowing them to be the perfect balance of tough but not brittle.

Have a punch for any application with Kinchrome's range of punch sets. Whether you need to drive out pins, align holes or mark a hole before drilling, our combination punch sets have a wide array of contents to cover almost every application.

Features:

Manufactured from hardened & tempered Chrome Vanadium steel (CR-V)

Precision machined for strength & durability

Knurled finish ensures maximum grip and avoids movement while the punch is being struck

High quality storage wallet included
