Packaging + Shipping	
Shipping Weight (Gross)	2.897 kg

Kincrome Punches & Chisels are manufactured from hardened and tempered top grade Chrome Vanadium Steel. This increases strength and durability, allowing them to be the perfect balance of tough but not brittle. The contents of Kincrome's punch & chisel sets have been carefully selected to provide you the best bang for your buck. The variety of these sets means that no matter the task, there is a punch to suit that need. With everything from centre punches for piercing material before drilling, to cold chisels to cut & shape masonry. Whether you're working with timber, plastic, steel, or masonry, the Kincrome punch & chisel sets have you covered.

Features

Manufactured from hardened & tempered Chrome Vanadium steel (CR-V)

Precision machined for strength & durability

Knurled finish ensures maximum grip and avoids movement while the punch is being struck (Punches)

Accurately machined to the perfect cutting angle (Cold Chisels)

High quality storage wallet included
