The Milwaukee 5 Piece SAE Double End Flare Nut Wrench Set offers easy identification with ink-filled size labels for quick distinction between SAE and metric wrenches. Our slim profile open end provides better access to hard-to-reach line nuts and hex bolt heads. The Comfortable I-Beam Handle Design allows superior user comfort, even while applying high torque. Standing behind our products, Milwaukee offers a Lifetime Guarantee on all of our Mechanics Hand Tools.

Features:

- Omtomised head geometry that allows the wrench to securely grip onto fasteners - Reducing rounding
- Ergonomic I-beam handle, which allows user comfort throughout the day
- Ink filled size lables allow easy identification of sizes
- Colour coded identification allows differentiation between SAE and Metric
- Chrome plated for rust protection
- Storage tray included which conveniently fits into steel storage trays
- Lifetime guarantee
