Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

CNV-FSP26-600 is compatible with both sausages and cartridges. The uniquely designed front cap allows the release of every ounce of material from the tube and can be easily removed without any tools. The 26:1 thrust ratio enables easy dispensing of thick materials. The 360° Rotating Handle™ is ideal for maneuvering in and around tight spaces. The Alumite-Coated Cylinder is easy to clean with an anti-residue surface.

### Features

Compatible with sausage and cartridge refills

Removable plunger

Uniquely designed front cap enables every ounce of material to be released from the tube

Anti-residue surface
