Our Clear Safety Glasses are designed for maximum durability on the jobsite. They have an integrated flexible nose bridge and comfortable rubber arms for long-term wear and comfort. For added user benefit, these safety glasses have anti-fog lenses to ensure that the lenses remain clear and unobstructed on any jobsite. They also feature durable anti-scratch lenses that protect your eyes while enduring tough jobsite conditions. When working indoors, having a clear safety glasses option keeps your eyes safe and secure. MILWAUKEE® safety glasses are compliant with AS/NZS 1337.1 2010.

Features:

- Flexible nose bridge that provides extra comfort and helps to achieve the perfect fit
- Comfortable rubber arms for extended wear
- Anti-fog lenses designed to assist on maintaining clear vision whilst on the jobsite in the toughest conditions
- Durable Anti-scratch lenses protect your eyes while withstanding the demands of a jobsite
- Certified to AS/NZS 1337.1 2010
