The 25mm Stainless Steel High Speed Twistknot Cup Brush are ideal for hard, aggressive brushing and contaminant removal in hard-to-reach areas. High Speed Twistknot Cup Brushes are great at removing rust, paint and scale. Constructed with 302 Stainless Steel, the 25mm Stainless Steel High Speed Twistknot End Brush is extremely tough and ductile. Hardness increases when working in cold environments and is non-magnetic. 25mm Stainless Steel High Speed Twistknot End Brush has increased durability and is best suited for extreme brushing requirements.
