The M18™ 13mm Brushless Hammer Drill/Driver is a lightweight and capable drill at only 147.3mm in length and weighing 1.04kg without battery, allowing for excellent control, especially while working in overhead or tight spaces. The brushless motor delivers up to 62 Nm of torque and a RPM range of 0-1,700 to tackle a wide range of applications. REDLINK™ Intelligence paired with REDLITHIUM™ M18™ batteries ensures efficient power delivery resulting in less downtime recharging batteries. The cordless compact hammer drill has an all-metal gear case and ½" metal chuck providing the durability that professionals require.

Features:

All Metal Chuck and gear case for increased protection

Delivers up to 25,500 BPM for multiple application use.

2-Speed Control switch with a variable speed trigger allows users to feather the trigger for more precision-based tasks or set it to "Hammer" functionality when needing to drill through tough applications.
