Many of these tools are outside-accessible, so you can use them when the multi-tool is folded and closed.

**READY FOR ANYTHING:** The Wave is hands down our most popular multitool. We've updated it with premium replaceable wire cutters so it can tackle tough jobs for years to come.

**FIT MORE FUNCTIONALITY:** A variety of pliers, replaceable wire cutters, wire stripper, plain and serrated knives, saw, spring-action scissors, ruler, can and bottle openers, files, and screwdrivers.

**LET'S BE PRACTICAL:** Sometimes you only have one hand to spare. The Wave Plus only requires one hand to open and use all the tools, even the ones that aren't accessible from the outside. And with all-locking blades, you can cut with confidence.

**ALWAYS ON HAND:** With its compact size and lightweight design, you can stash your Wave Plus in your pocket and always have it when you need it.
