Warranty	7 Years (2 + 5 Years with Online Registration)
Packaging + Shipping	
Shipping Weight (Gross)	0.282 kg

The rechargeable Ledlenser H7R Work headlamp with up to 1000 lumens is extremely intuitive to operate and provides a high CRI value (90), ensuring natural colour rendering for accuracy in colour-critical applications. With dust, water and impact protection and our Advanced Focus System for easy dimming and focusing this the perfect work companion.

ENDLESS BENEFITS:

Industrial Grade: An IP67 rating allows the headlamp to be submerged up to 1 metre underwater for 30 minutes and it's also drop proof to 3 metres

Advanced Focus System: Can focus the light beam as a spot or flood, without losing quality of light

Rechargeable: Save money, batteries and reduce environmental impact

Magnetic Charge System: Safe reliable charging that is quick and easy to use

Swivel lamp head: Provides 130 degree rotation

Temperature Control System: Keeps light from overheating so it can run brighter and longer

Flex Sealing Technology: Provides superior protection against dust and water

Natural light: Provides accuracy in colour-critical applications

Cooling Technology: Allows for continuous operation without overheating

Memory Function: Sets the light so that it starts in the last light mode or brightness level used when it is switched on

23 Exhibition Drive, Malaga Western Australia

hello@beyondtools.com

Backup Mode: Charge level is continuously monitored and when low it drops to the low-power mode, giving you about 1 hour of remaining light

Dimmable: Seamless adjustment of the luminosity

Flicker Free: Provides flicker free and constant light enabling optimal and safe illumination of fast moving parts or machines

Transport Lock: Will not turn on accidentally and use up battery

7 Year Warranty: Be confident that we stand behind the craftsmanship and quality of our products

CHOOSE YOUR POWER:

You can also carry a Ledlenser Flex7 powerbank for an extra charge (sold separately)

The H7R Work comes with a battery status indicator so you always know where you stand on power

ADAPTABLE:

The H7R Work can be clipped on a belt when needed at work.

COMES WITH:

1 set of rechargeable batteries

Belt clip

Extension cable

Fixing clips

Focusing aid ring

Magnetic charging cable

Transparent silicone headband

Light Functions

Power - high light output for every situation

Low Power - economical light for long battery life, glare-free reading and working

Boost - short-duration maximum power for more brightness

Switches

Multifunctional Switch - multi-function switch for quick and easy control of individual light functions

Work Series

Tailored for Work and Professional use in tough environments where you need additional protection and a more robust lighting product. The work series has tailored technologies + accessories which will provide additional safety while on the job including our "Emergency Light Mode" to ensure you always have spare light on hand.

Special functions

Advanced Focus System (AFS) - for efficient, precise flood and spot lighting

Perfectly constant light for working - high colour rendering, neutral white and flicker-free light

130 Degrees - of lamp head rotation

Flex Sealing Technology - provides superior protection against dust and water (IP67)

IP-Class

IP67 - Protection for submersion in water up to 1m deep for up to 30 mins.

Height & Weight

282 g

Battery and Casing

Battery 1 x Li-ion 3.7V

Water Resistance: IP67

Rechargeable: Yes
