Our PACKOUT™ Modular Storage System is the industry's most durable and versatile storage system. The PACKOUT™ 10" Structured Tote features tear resistant layered ballistic material, a reinforced structure that holds its shape over time, and has a carrying capacity of up to 25kg. The impact-resistant molded base connects with other MILWAUKEE® PACKOUT™ system components via integrated locking cleats. Our 10" Structured Tote has all metal hardware, YKK zippers, and 35 pockets. The padded shoulder strap quickly and conveniently stores on the handle for maximum organization. Our PACKOUT™ Modular Storage System allows you to customize and build your own tool storage system to easily transport and organise your tools and accessories.
