The MILWAUKEE® compact knife sharpener features three sharpening surfaces compatible with most knives; a coarse carbide for quick edge setting, a fine ceramic to finish the sharpened edge and a diamond grit for freestyle specialty blade sharpening. It also offers a large finger loop for a secure grip and added control while sharpening. The compact size means it easy fits into pockets and tool belts or bags and has a magnet for easy, convenient storage on the jobsite.

Features:

Three sharpening styles including course, fine and fixed honing rod

Coarse Carbide - Quick edge setting

Fine Ceramic - Finishes Sharpened Edge

Fixed honing rod - Specialty Blade Sharpening

Secure grip finger loop for easy to hold and more control

High contrast ID markingsMagnet for convenient storage
