Our 1/4" Drive Extensions allows for easier access in hard-to-reach spaces to get every job done, both in the garage and on the jobsite. The textured surface on the Milwaukee extension bit provides additional grip and control. Its durable construction will stand up to a wide range of conditions, while the chrome finish provides resistance to corrosion and rust. This extension bit fits all 1/4" drive tools.

Features

Durable drive ends - Less breakage and wear than competitors

Chrome finish - Corrosion and rust resistance

Drive size convertibility - Changes ratchet drive size to use wider variety of sockets

Largest knurled surface for extra grip when fastening

Optimised drawer space - compact storage rack
