Bahco's ERGO<sup>™</sup> tools are designed around you. They belong in your hand and respond to the demands of every twist and turn. ERGO<sup>™</sup> tools protect the 42 different hand muscles required for a secure grip, prevent avoidable conditions and, most importantly, make demanding work easier. ERGO<sup>™</sup> tools are the only choice for professionals who know only the best will do.

Adjustable wrenches developed according to the scientific  $\mathsf{ERGO}^{\,\mbox{\tiny M}}$  process

Extra-wide jaw opening with a shorter handle than a standard wrench offers accessibility to work in confined spaces

One hand operated quick adjust mechanism

Teeth designed to ensure grip with Jaws for flat and pipe shape gripping
