The REDLITHIUM™ USB Bluetooth Headphones deliver UNCOMPROMISED SOUND, providing a powerful and balanced audio experience with the capability to take phone calls. Additionally, Jobsite Aware Mode provides situational awareness while reducing the intensity of loud external noises, allowing you to CONTROL YOUR AWARENESS. With up to 10 hours of runtime on a single charge, these ear buds deliver all-day runtime. The REDLITHIUM™ USB case battery provides up to 70 hours of runtime using multiple in-case charges. Built to survive on the jobsite, this audio solution is water, dust, & impact resistant. Designed for on-the-job use, passive hearing protection is provided by silicone and foam ear tips. Our ear buds are kitted with multiple interchangeable ear tips and wings, for a secure fit.

Features:

Features Vocal Passthrough - a feature that provides controllable situational awareness while reducing the intensity of loud external noises, without compromising the listening experience.

Bluetooth compatibility allows ear buds to connect to mobile devices to talk or listen.

Designed to be able to be worn with hard hats and earmuffs, and are glove friendly with dynamic feedback via physical buttons.

Multiple ear tip and ear wing sizes provided for a customisable fit.
