Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The LED hand held spot lamp only uses 1/3 of the power consumption of the 1520. It has a compact size and light weight and is comfortable to hold even for long periods. The LED spot lamp comes with a spiral plug-in cable (which can stretch up to 3.5m) and a DT connector which allows a custom cable to be fitted to suit your own requirements. Hella is world renowned in the design and manufacture of automotive lighting equipment and independent aftermarket sectors of the automotive mining and marine industries. Hella has been in business since 1899 and operates in over 30 countries around the world. Rest assured that with everything Hella produce comes over 100 years of experience and knowledge of creating reliable and quality products.
