Shipping Weight (Gross)	2.3 kg

The M18 FUEL™ ONE-KEY™ 125mm (5") Dual-Trigger Braking Grinder is the next advancement in angle grinders, providing greater control through dual-trigger activation, permanent side handle, and AUTOSTOP™ kickback control. The M18 FUEL™ ONE-KEY™ 125mm (5") Dual-Trigger Braking Grinder's dual-trigger activation requires two hands for operation. The permanent side handle provides 15 positions, improving control and accessibility. For the first time on a MILWAUKEE® Grinder, AUTOSTOP™ kickback control helps prevent severe kickback, while RAPIDSTOP™ braking stops most accessories in under 1 second. With a 4-mode variable speed, this grinder delivers greater control in a variety of materials. Compatible with ONE-KEY™, this grinder wirelessly connects to a smartphone to track and manage the tool, providing users with visibility to where tools are across their network of jobs. The POWERSTATE™ Brushless Motor generates maximum power allowing you to complete tough grinding and cutting applications.

Features:

Dual-trigger activation, ensuring users keep both hands on the tool during operation for enhanced safety.

RAPIDSTOP™ braking with <1 second accessory braking.

Multi-axis kickback protection AUTOSTOP™.

4-mode variable speed (3,500 5,000 6,500 8,500).
