Product Height	645 mm
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Shipping Notes	This product is classified as 'Heavy / Oversized' and generally does not qualify for FREE SHIPPING.

The next generation of MILWAUKEE high capacity steel tool storage is here. The 8-drawer chest is an extra-deep 558mm (22"), which is 101mm (4") deeper than most other units. The chest lid has 266mm (10.5") clearance and a thick top mat with a MILWAUKEE-embossed logo. The extensive list of features includes an integrated peg wall in the chest, paper towel holder, two J-hooks to store your hoses and cords, and stylish aluminum edge guards with rubber corner bumpers to help protect your investment. Keep all your power tools powered up even while the unit is locked with the integrated 6 outlet/2 USB power center in the top till. Easily use and store your laptop or paperwork in the innovative pullout work surface drawer. Barrel key locking system secures all your valuables and there is a separate privacy drawer that can be locked while the rest of the drawers remain open. The 68kg rated, soft-close, ball bearing drawer slides gently retain the drawers from accidental opening or slamming shut. The red and black textured finish is rugged, durable, and stands up to harsh environments.

- Features:**
- 18 Gauge steel frame and drawers
 - Reinforced Angle Iron Base
 - 6-outlet/2USB power strip mounted on the side of the chest
 - Secure your tools with the barrel key locking system
 - Includes pre-cut, premium PVC drawer liners
 - Rubber corner bumpers and aluminium edge guards on chest help protect from accidental damage
 - 45kg soft close drawers
