The next generation of Milwaukee high capacity steel tool storage is here. The 10-drawer trolley is an extra-deep 558mm (22"), which is 101mm (4") deeper than most other units. Featuring a reinforced angle iron frame, the 45kg rated soft-close ball bearing drawer slides gently retain the drawers from accidental opening or slamming shut, 5" industrial casters and stylish aluminium edge guards with rubber corner bumpers to help protect your investment. Keep all your power tools powered up even while the unit is locked with the integrated 6 outlet/2 USB power center located on the side of the trolley. The Barrel key locking system secures all your valuables. The red and black textured finish is rugged, durable, and stands up to harsh environments.

### Features:
