### Highlights

Noise Reduction Rating of 29dB or higher when worn properly

Equipped with 40mm high fidelity speakers for premium sound quality

Easy-to-use one button interface helps keep you focused on the job. Built-in rechargeable battery; charging cord included

Comfortable, no-pressure headband. 2-hour auto shut-off with battery indicator status. Lightweight, antennae-free design to help you move freely

Audio Assist technology provides set-up and operational guidance without removing headset. Great for use while landscaping and in noisy workshops, factories, and construction sites

Compatible with non-Bluetooth devices via standard audio input cable (not provided). Makes an excellent gift for the yard, workshed or woodworking enthusiast
