Barcode	4892210223951
Brand	Milwaukee
Technical - Main	
Battery Voltage (V)	18V
Warranty	
Warranty	2 Years
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18™ Dual Bay Super Charger delivers up to 6X faster charging to 80%, maximising productivity by reducing downtime throughout the day. In just 15 minutes, users can charge a M18™ REDLITHIUM™ FORGE™ 6.0Ah Battery to 80%, allowing users to get back to work faster than ever before. Super Chargers are Milwaukee's fastest chargers, providing users with the fastest charge times for all of your M18™ REDLITHIUM™ batteries. The Super Charger is capable of simultaneously charging up to 2 batteries, while leveraging CHARGE ADAPT Adaptive Charge Distribution to distribute power between bays for maximised productivity. The CHARGE ADAPT LED light will illuminate for the battery that is able to receive the most amount of power, resulting in the user getting one pack back faster than fully simultaneous chargers. The M18™ Dual Bay Super Charger is COOL-CYCLE Capable. COOL-CYCLE Active Cooling System, provides high-speed cooling for less downtime. The active cooling feature works with M18™ batteries that have COOL-CYCLE capability. The charger features REDLINK™ PLUS Intelligence and communicates directly with your battery to monitor cell voltage, temperature, and charge status to optimise the performance and maximise the life of the pack. This charger is compatible with all M18™ Batteries.

Features:

Charges the M18™ REDLITHIUM™ FORGE™ 6.0Ah Battery to 80% in 15 minutes and 100% in 25 minutes.

2 x M18™ ports, compatible with all M18™ batteries.

hello@beyondtools.com

Capable of simultaneously charging up to 2 batteries leveraging CHARGE ADAPT to distribute power between bays for the best charge experience.

Integrated hang holes for wall mounting.

COOL-CYCLE Active Cooling System provides high-speed cooling for less downtime. Active cooling feature works with batteries that have COOL-CYCLE capability.

More economical for the user. Less batteries are needed due to better cycle life and benefits of fast charging.

Includes:

(1) M18™ Dual Bay Super Charger (M18DBSC)

Batteries Not Included

Specifications:

Power Source: AC

Charge Rate: Up to 18A

Charge Type: Simultaneous, CHARGE ADAPT

M18 Ports: 2

Wall Mountable: Yes

Cool-Cycle Charging: Yes
