Introducing the Hikoki Carry Box. Designed for large tools such as nailers and rotary hammers. This space-efficient solution includes an inner tray for organised storage of chargers, batteries, cords, and gloves. Versatile and accommodating, it allows for easy attachment of large tools externally through a convenient hooking plate, ensuring immediate access. The stack latches on both sides provide secure stacking, while the IP65 rating guarantees protection against dust and water ingress. Streamline your tool organisation and safeguard your equipment with this durable and versatile Carry Box.
