Our Milwaukee® Folding Jab Saw features our new Sawzall Drywall Blade. The 6" 8TPI Sawzall Drywall Blade features a large piercing tip for easy plunge cuts and fleam ground teeth for smooth cuts. The handle fits all 6" Sawzall™ blades for quick cutting into multiple materials and the blade will easily fold into the handle to avoid piercing through tool pouches and bags. The Folding Jab Saw is complete with ribbed indentions to increase handle grip. The folding jab saw also features a slide lock design offers the fastest blade change to increase productivity on the jobsite and a lanyard hole for convenient tethering.
