The M18 FUEL™ 1/2" High Torque Impact Wrench w/ Pin Detent Protective Boot is for use with the M18 FUEL™ 1/2" High Torque Impact Wrench w/ Pin Detent (M18FHIW2P120) only. The boot provides a lightweight, durable solution that is meant to protect the tool and work surface. With a durable rubber design that can withstand corrosive materials commonly found in transportation maintenance environments. Not for use on or near live electrical circuits. Use on any other product may result in damage to the tool motor and may void the tool warranty

Features

Made from flexible material the Protective Rubber Boot is easy to install and remove
 Form-fitting, lightweight design protects the tool and work surface while adding minimal size or weight to the tool
 Compatible with the M18 FUEL™ 1/2" High Torque Impact Wrench with Pin Detent (M18FHIW2P120)
 Boots act as a cushion, reducing the impact of accidental drops and minimizing tool damage.
 (Not Included) Tool & Battery
