Packaging + Shipping	
Shipping Weight (Gross)	0.06 kg

Protect yourself from electric shock with Crescent's new patented isolated technology, eSHOK-GUARD™, providing insulation of up to 1,000 volts. Combining safety and convenience for a revolutionary experience when working around potential live wire applications, eSHOK-GUARD's impact-rated design withstands heavy-use, impact tool applications, so you never have to sacrifice protection when using power tools. With over 85% of professionals experiencing shocks on construction job sites, eSHOK-GUARD™ is protecting you - for life.

Features

Isolation zone insulates standard bits with protection up to 1000V

Withstands heavy use in impact applications

Magnetic tip keeps fasteners securely in place

Easily secure and replace bits with a retaining ring

1/4" hex shank is compatible with impact drivers and drills
