Product Height	30 mm
Packaging + Shipping	
Shipping Weight (Gross)	0.2 kg

Our MILWAUKEE® 1000V Insulated Wire Stripper is designed for accurate wire stripping. The flame retardant 1000V layer of insulation on the handles provides maximum protection. Our wire stripper features a curved blade design that allows you to perform clean cuts through larger solid & stranded wire sizes. Capable of performing cuts between 0.50 - 6.0mm² (10-20 AWG) and a built-in bolt cutter with the capacity to cut #6 and #8 bolts. Our MILWAUKEE® 1000V Insulated Wire Stripper are UL classified and are certified to IEC 60900 and ASTM F1505 standards for insulated hand tools and backed by Milwaukee's Limited Lifetime Warranty.

Features

Accurately strips 0.75mm² - 6mm² solid and 0.50mm² - 4mm² stranded wire

1000V insulated protection
