This "**Borum Industrial**" Jumbo Combination Spanner Set includes 10 popular imperial large-sized combination wrenches from 1 5/16in. to 2in. Made of heat-treated drop forged steel with a chrome vanadium finish. The high-quality, chrome plating looks great and provides a durable, easy-to-clean finish. The ring ends have 15 degrees of offset for knuckle clearance and increased access in tight spaces. Kit includes hard wearing storage roll. The ring end on these super-sized combination wrenches gives you a steady, sturdy grip on nuts and bolts whilst the open end offers an easy option in awkward or confined spaces.

Features:

High-quality, chrome plating provides a durable, easy-to-clean finish

Heat Treated C45 Carbon Steel construction

Exact fit that won't strip nut or bolt heads

15 degree offset ring spanner for greater range

Supplied in convenient robust storage roll
